Entry Guidelines

"The Annual World Children's Picture Contest" would like to invite you to participate in the international picture contest held by IE-NO-HIKARI. Through the picture art, we focus on children to understand the importance of food that we need to live and teach the value of family, friendship and different communities.

Categories

You must choose between one of the two Categories.

- ① Free Theme Category
- ② 30th Anniversary Category (Theme: Me and My Favorite Food)

Entry Period

June 1 – October 3, 2022

The picture must be received by this date.

Eligible Participants

6-15 years old

Rules

1. The picture must be on flat paper less than 515mm×728mm×3mm, and should not be framed or matted.
2. Picture can be made from any materials and methods.
3. Contest participants are limited to enter one picture each.
4. All picture submitted must be the unreleased "original-sole work".
5. Works determined by the Association to be highly likely to infringe the rights of others, such as those that are deemed to imitate pictures, photographs, and characters, as well as those that contain specific characters, personal names, company names, product names, logos, etc., are outside of the scope of judging.
6. We can't accept applications for digital pictures drawn using a PC or other devices.
7. All artworks must be original hard copies. Photo prints and e-mail attachments should not be submitted.
8. No picture received will be returned to sender for any reason.
9. All rights to pictures will belong to the host organization.
10. In some cases, children's pictures submitted will be loaned out for activities and events promoting children's art education and international exchange, etc. held in Japan.

*All content participants information will be appropriately handled under the IE-NO-HIKARI Association Privacy Policy.

About IE-NO-HIKARI Association

IE-NO-HIKARI Association, a member of the Japan Agricultural Cooperatives (JA) work to improve international and regional ties with the use of cultural activities.

We issue a children's monthly magazine called "CHAGURIN" to show and teach them the importance of foods and agriculture.

Comment from one of the winners

Comment

"I drew a child taking a can out of the sea to prevent it from harming marine animals. I chose the sea because it's one of the most polluted environments. Many tons of garbage are produced and dumped there. All of this waste needs to be handled in a responsible manner. I would like to participate in your next contest and I would draw the melting North Pole and its suffering animals, like the polar bear".
